PREFACE

THE GENERAL CONFERENCE MENNONITE CHURCH is an entity composed of member congregations in North and South America. It is incorporated under the statutes of the state of Kansas in the U.S.A. Churches have united to form a Conference of Mennonites in Canada, five district conferences in the United States, five area conferences in Canada, a South American conference and conferences in Brazil, Paraguay and Uruguay.

The delegate body which meets triennially is elected by individual churches on the basis of one delegate per thirty members or fraction thereof. At the triennial sessions delegates elect three officers: president, vice-president and secretary. The delegate body also elects members to a general board, program commissions, a seminary board and a division of administration. These bodies meet annually as a Council of Commissions. It is at these sessions that programs are planned and the annual budget is adopted.

A subsidiary corporation, Church Extension Services, is incorporated under the statutes of the state of Kansas and deals with specific areas of program work.

A number of institutions and organizations, such as Africa Inter-Mennonite Mission, Mennonite Central Committee, colleges and hospitals bear a functional relationship to the conference through the commissions or the General Board. These institutions, recognized as General Conference related, are part of the corporate structure of the General Conference Mennonite Church. They have their own corporate structures as set up under the statutes of the states in which they are located.

The General Board appoints three representatives to Mennonite Central Committee and three to Mennonite World Conference.

AGUM Churches in West Germany

The following congregations are the churches in West Germany to which the Conference of Mennonites in Canada relates through an organization called the Arbeitsgemeinschaft der Mennonitengemeinden zur geistlichen Unterstutzung in Mennonitengemeinden (AGUM). The congregations which belong to the AGUM have anywhere from 10-100 percent of their membership coming from among the Umsiedler who have come to West Germany from the Soviet Union during the past decade. Some of the congregations have long histories, some such as the churches at Bielefeld, Wolfsburg, and the Mennonitengemeinde zu Neuwied, are only a few years old.

Note: STATISTICAL INFORMATION IN THIS SECTION MAY ONLY BE APPROXIMATE.

Churches record and report information in differing ways. Some churches report their financial statistics in Canadian dollars, others in U.S. dollars. Figures reported here are Canadian or U.S. dollars depending upon the location of the church; therefore, totals may be in mixed dollars. Totals do not reflect the activity of churches which did not report, particularly in the case of per capita giving.

If churches have not reported current attendance or membership, figures from the most recent year reported have been used. If you require more accurate information, please request it directly from the church(es).

GENERAL CONFERENCE MENNONITE CHURCH

This circle drawing reflects the interaction of the congregations, area conferences, inter-Mennonite agencies, commissions, institutions and organizations related to the General Conference.

Members of commissions and boards and representatives of most of the organizations on this chart gather each March as a Council of Commissions to give counsel to the General Board which gives overall direction to the conference, establishes priorities, sets the annual budget, appoints executive staff and makes bylaw changes.

The congregations in Canada have five area conferences in addition to the Conference of Mennonites in Canada. The congregations in Brazil, Paraguay and Uruguay have their respective national conferences in addition to the South America Conference.

General Conference schools in Canada are owned by area conferences. In the United States they are owned by church-related societies.

The Program Committee plans the triennial conference sessions.
